LiBRO Ballon Cup

13. - 21. September 2024

The region **Brixental**, the **Tourismusverband Kirchberg**, **Brixen**, **Westendorf** and **BSF TIROL aktiv** invite all fans of alpine ballooning to the

35th International LIBRO-Balloon Cup, 13. – 21. September 2024 in the Brixental - Kirchberg

Compliance with the regulatory requirements in force at that time is mandatory.

The Kitzbühel Alps offer spectacular alpine flights in all directions. With a southerly over the Wilde Kaiser Mountains into Bavaria, with north-westerly winds to the beautiful Pinzgau area, with easterly winds into the Inn Valley and with a westerly wind to the Saalfelden basin. You can expect breathtaking flights and test your flying skills with interesting challenges, whilst playing with the special wind conditions of the Brixen Valley. The well-designed program emphasizes the coziness of the region and showcases the hospitality of the impressive Tyrolean area.

We offer:

Free Propane for 6 flights (and nitrogen, if needed)
Professional weather forecasts
Relaxed atmosphere
Competition flights with nice prizes
Free drinks at check-in
Sunrise flight
Memorable gift for every pilot
