

The region **KITZBÜHELER ALPEN**, the **Tourismusverband Kirchberg** and **BSF TIROL aktiv** invite all fans of alpine ballooning to the

31st International LIBRO-Balloon Cup, 26.09. – 03.10.2020 in the Kitzbüheler Alpen – Kirchberg – Brixental

Compliance with the regulatory requirements in force at that time is mandatory.

The Kitzbühel Alps offer spectacular alpine flights in all directions. With a southerly over the Wilde Kaiser Mountains into Bavaria, with north-westerly winds to the beautiful Pinzgau area, with easterly winds into the Inn Valley and with a westerly wind to the Saalfelden basin. You can expect breathtaking flights and test your flying skills with interesting challenges, playing with the special wind conditions of the Brixen Valley.

The well-designed program emphasizes the coziness of the region and showcases the hospitality of the impressive Tyrolean area.

We offer:

Free Propane (and nitrogen, if needed) for 6 starts
